LEEDS GROUP OF COMPANIES

LEEDS – An Introduction

LEEDS Group was first established as Career Chart Consultancy in 1997. The business then expanded to form Leeds HR Solutions in Singapore in the year 2005. Headquartered in Singapore, our branch offices are situated in India, Bangladesh, Malaysia, Abu Dhabi and Brunei and is now a Singapore's leading recruitment consultancy company.

Leeds HR Solutions honed its expertise for almost a decade in manpower training, recruitment, and manpower supply to industries such as Marine, Oil & Gas, Construction, Manufacturing, Health Care & Services.

To ensure high standards of in-house training and testing of selected skilled candidates, Leeds Skill Training Centre was set up in Chennai – India, in an area of 16,500 sq ft. Leeds Skill Development Centre was later started in Dhaka, Bangladesh, to enhance the skills of employees before they get deployed to client companies. Both the Training and Development Centres are accredited by ITE Education Services, Singapore. In 2015, Leeds expanded into a group of companies with the establishment of Leeds HR Consultancy LLC. **Leeds Group of Companies seek to be leaders in Manpower, Training, Recruitment and Outsourcing in Singapore and the Middle East.**

WELCOMES YOU

Vision & Mission Statement

Vision

“To be the global leaders in skills training and human resource solutions.”

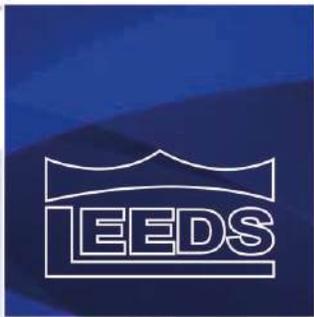

Mission

We endeavour to provide our clients with properly trained and skilled manpower, along with qualified and experienced professionals.

LEEDS HR Support to Clients

Leeds gained an excellent reputation by providing skilled and high-calibre personnel, ranging from blue-collar workers, to junior and senior professionals. With over 2 decades of experience in training, recruitment, deployment and outsourcing, **Leeds has established and maintained strong client relationships with companies in Qatar, Singapore, Malaysia, UAE, Indonesia, Saudi Arabia, China, South Africa, Thailand and New Zealand.** Our experienced in-house personnel assess candidates for different job vacancies such as **Welders, Steel Fitters, Pipe Fitters and Electrical Workers, as well as Managers and Executives.**

LEEDS GROUP OF COMPANIES

LEEDS HR Solutions

Leeds HR Solutions (India), provides staffing solutions and exceptional customer service for both employers and job seekers. Our extensive experience and quality service has gained us trust and a good reputation through referrals, especially in the engineering and technical sectors.

With consistently strong manpower demand in key industries in India such as Marine, Manufacturing, Services and Construction, Leeds HR Solutions (India) is poised to play a significant role in fulfilling that demand, by working closely with our training centre in Chennai – to train and select properly skilled workers.

LEEDS

LEEDS GROUP OF COMPANIES

LEEDS HR Solutions Pte Ltd

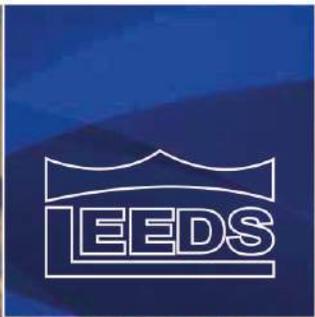

Leeds HR Solutions provides a complete manpower solution, from interviews and training, to testing and deployment. A lead time of between 30 and 40 days (from confirmation to deployment) can be expected upon confirmation by the client company with regard to the manpower that they need.

Leeds HR Solutions has experienced technical and medical evaluators who can pre-screen potential hires. For trade testing, the company works closely with internationally certified affiliates, such as Tesda, Miescor, Executive and PhilAsia.

Leeds HR Solutions maintains an extensive computerized database of potential hires for easy reference. Upon confirmation by the client companies, Leeds HR Solutions can immediately embark on identifying appropriate potential hires by searching through this database.

Constant identification and pooling of potential hires is achieved through ongoing media advertisements, provincial recruitment drives, agent-assisted recruitment, and direct hiring through partner agencies in India, Bangladesh, Philippines, China and Indonesia.

LEEDS GROUP OF COMPANIES

LEEDS HR Solutions, Dhaka

Leeds HR Solutions Ltd (Dhaka) provides world-class comprehensive solutions for your manpower needs by selecting both skilled and semi-skilled workers for sectors such as Marine, Oil and Gas, Construction, Manufacturing, and Healthcare.

Constant identification and pooling of potential hires is achieved through on going media advertisements, provincial recruitment drives, agent-assisted recruitment, and direct hiring through partner agencies.

LEEDS

LEEDS GROUP OF COMPANIES
